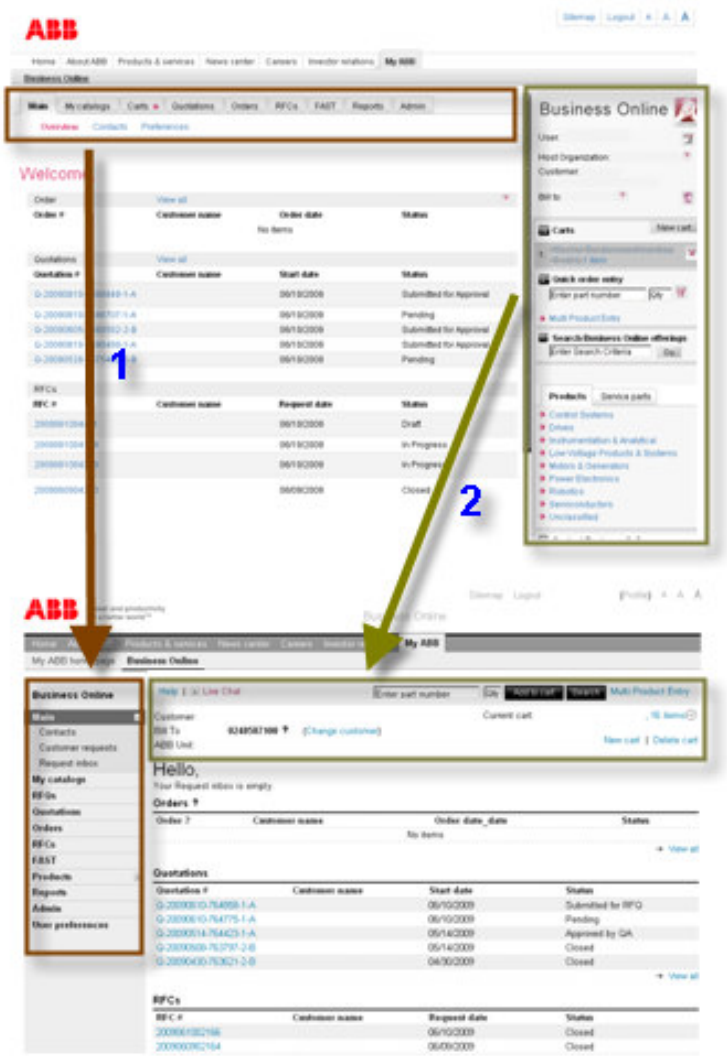
Power and productivity
for a better world™

New look and feel

Two significant changes from previous to new



1 The top tab navigation has been moved to abb.com standard left menu

2 The vertical right BOL toolbar has been moved to a horizontal top toolbar and further been reduced to main used functions for better overview

- Browse products & parts tree
- Carts as dropdowns
- Common search box for quick order entry and ABB offering

Previous version of Business Online
Key elements of old design

1. User information
2. Carts; active, create new or delete
3. Quick order entry & Search Business Online offerings
4. Import & Multi product entry
5. Product Tree
6. Contacts & Live chat
7. Main navigation
8. Sub navigation
