# BIM objects

ABB has partnered with industry leaders to develop a complete library of BIM objects for Steel City®, Carlon® floor boxes, Ocal® and T&B® Cable Tray products.

Now available through Autodesk® Seek, our BIM objects can easily be imported to your Revit® models. These BIM objects are fully standards compliant, Revit® Certified and completely configurable. Visit [www.tnb.com/bim](http://www.tnb.com/bim) for more information.
