Note: You can find e.g., in this document a description of the usage of the End-of-Month Payment term (section 9 in the [Global Version](#)) within Hitachi Energy.

Please submit invoices via e-invoice or e-mail. Hard copy invoices will not be accepted.

How to send invoices to Hitachi Energy (related to chapter 2 of global P2P)

I. Electronic invoices:

Electronic Invoices: According to Turkish tax laws, if there is an e-invoice taxpayer on both sides, invoicing between these two companies can only be done as e-invoice. Otherwise, invoices will be invalid according to tax laws. If you are an e-invoice taxpayer, please access the official Turkish e-invoice portal and upload your e-invoice via that portal.

II. Invoices via email:

Foreign invoices through email should be sent to this address:

<mailto:tr-pgpayables@hitachienergy.com>

Instructions for emailing invoices:

- Emailed invoices must be submitted in .pdf file format.
- Each email attachment must contain only one invoice along with supporting documentation for that invoice (each invoice and all the associated supported documentation must be attached as one complete file and do not submit invoices and supporting documents as separate files).
- Multiple e-mail attachments (Invoices) can be sent in a single email. Max. 10 PDFs per email (5MB Total).
- The invoices billed are to be emailed only once. Please address any invoice process issues (missing invoice) through our inquiry process.

- Invoice image must be of at least 300 dpi resolution.

Note: .Zipped file or email attached in another email are not acceptable.

Note: Please do not include any written message which requires any action in the email as the message included in the email will not be read
