

Luck is on your Side: Electrify St. Paddy's Day Shockingly Good Deals on U054EV

Go Green this March with Special Savings

Secure your pot of gold now! We are excited to offer a limited-time promotion on Midwest's U054EV. U054EV is a heavy-duty 50 amp power outlet with an EV-rated receptacle.

Special pricing is valid March 9 through March 31, 2026 and requires minimum order quantities. Requested ship dates should not exceed April 30, 2026.

Valid on orders entered from March 9 to March 31, 2026. Units must be ordered together in a single order to qualify for quantity based requirements.

The net price will be shown at the time of invoice for each catalog number at line level. Discount will not appear as a total sum on the invoice.

Qualifying customers

Eligible for distributors in the (50) U.S. states only. U.S. territories including Puerto Rico and export customers are not eligible for this promotion.
