<td></td>
</tr>
</tbody>
</table>

ENGINEERING CONSIDERATIONS (NOT FOR UL REPRESENTATIVE USE):

Use - For use only in products where the acceptability of the combination is determined by Underwriters Laboratories Inc.

Conditions of Acceptability -

1. These devices are suitable for field wiring.

2. The mounting suitability should be determined in the final application.

3. These devices are for grounding and bonding, not for live wires.

4. The insulating bodies are molded of polymeric materials, as specified in the following tabulation. The use of these materials shall be judged in the end-use application.
