

## Course description

# G3590e

## Industry specific drives, ACH580 series offering, Internet course

### Course type

Internet course

### Course Duration

The course duration is approximately 15 minutes.

### Course Goal

The goal of this course is to understand the ACH580 portfolio offering.

### Student Profile

This course module is intended to give an overview on positioning and most important features of the ACH580 drives.

### Prerequisites

- An Internet connection. The recommended browser is Microsoft Internet Explorer.

### Course Objectives

Upon completion of this course, you will be able to:

- Describe the Drives for HVAC product positioning
- Interpret the content of the type code
- Recall the range and options
- Describe the supported HVAC applications
- Describe enclosure classes

### Main Topics

- Drives for HVAC product positioning
- Product range and options, frame size
- Content of the type code
- ACH580 frame sizes
- Supported voltages and power ranges
- Enclosure classes
- Options

### Low voltage drives training
