Course description

G3602e
Assembling ACS880-104 R6i/R7i modules to cabinet Internet course

Course type
Internet course

Course Duration
The course duration is approximately 15 minutes.

Course Goal
The goal of this course is to familiarize students how to assemble ACS880-104 R6i/R7i inverter modules into a cabinet. Also general engineering tips and tricks are given.

Student Profile
This course is intended for electricians, technicians, and engineers, who install or design installations of ACS880 drives.

Prerequisites
- Basic knowledge of mechanics
- An Internet connection. The recommended browser is Microsoft Internet Explorer.

Course Objectives
Upon completion of this course, students will be able to:
- Understand the basic idea how ACS880-104 R6i/R7i inverter modules can be assembled into a cabinet
- Have an overview of the kits and accessories used for the cabinet assembly
- Have an idea of the challenges of the cabinet assembly and examples how to overcome them

Main Topics
- Stage by stage presentation, how to assemble the ACS880-104 R6i/R7i modules into a cabinet
- General engineering tips and tricks regarding cabinet assembly
