

PRODUCT RELEASE NOTIFICATION INLINE II

Company: ABB Oy – Electrification business – Smart Power
 Address: Muottitie 2A, 65101 Vaasa, Finland
 Issuer: Benjamin Lehmann, Global Product Manager

Inline II codes with factory mounted hook clamps available

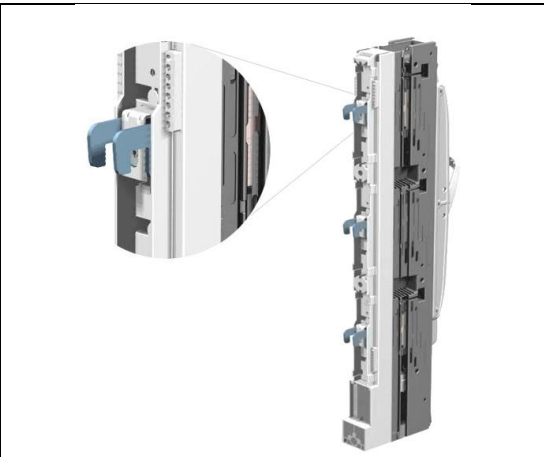

We are happy to inform that, since January 1st 2021, selected Inline II variants with factory mounted hook clamps are available. Previously, hook clamps were just as accessories available and to be installed at site, those accessories will also in future be available.

PRODUCT CODES INVOLVED IN THE CHANGE

Find in table below the codes available from factory with hook clamps pre-installed.
