

## Webinar duration

The duration is 1 hour.

## Course type

This is a webinar led by an instructor.

## Course goal

After a quick overview of the solar market and ABB's product portfolio, you will spot the range and the main technical features of the OTDC switch-disconnector range, with a great attention to the competitive advantages in terms of performance and dimensions.

## Student profile

The webinar is intended for ABB employees (technicians, sales engineers and product managers) who already know basics about switches.

## Prerequisites and recommendations

The student must have a basic electro technical knowledge.

## Main topics

- Solar market outlook
- ABB product portfolio for residential, commercial and industrial installations
- Switch-disconnector definitions and functions
- OTDC applications and product overview
- OTDC16...32
- OTDC100...250
- OTDC500
- Marketing material
