

BU Control Technologies, Middle East and Africa, Apr 2014

# BU Control Technologies Visitors Guide - Abu Dhabi Office United Arab Emirates

# United Arab Emirates, Abu Dhabi

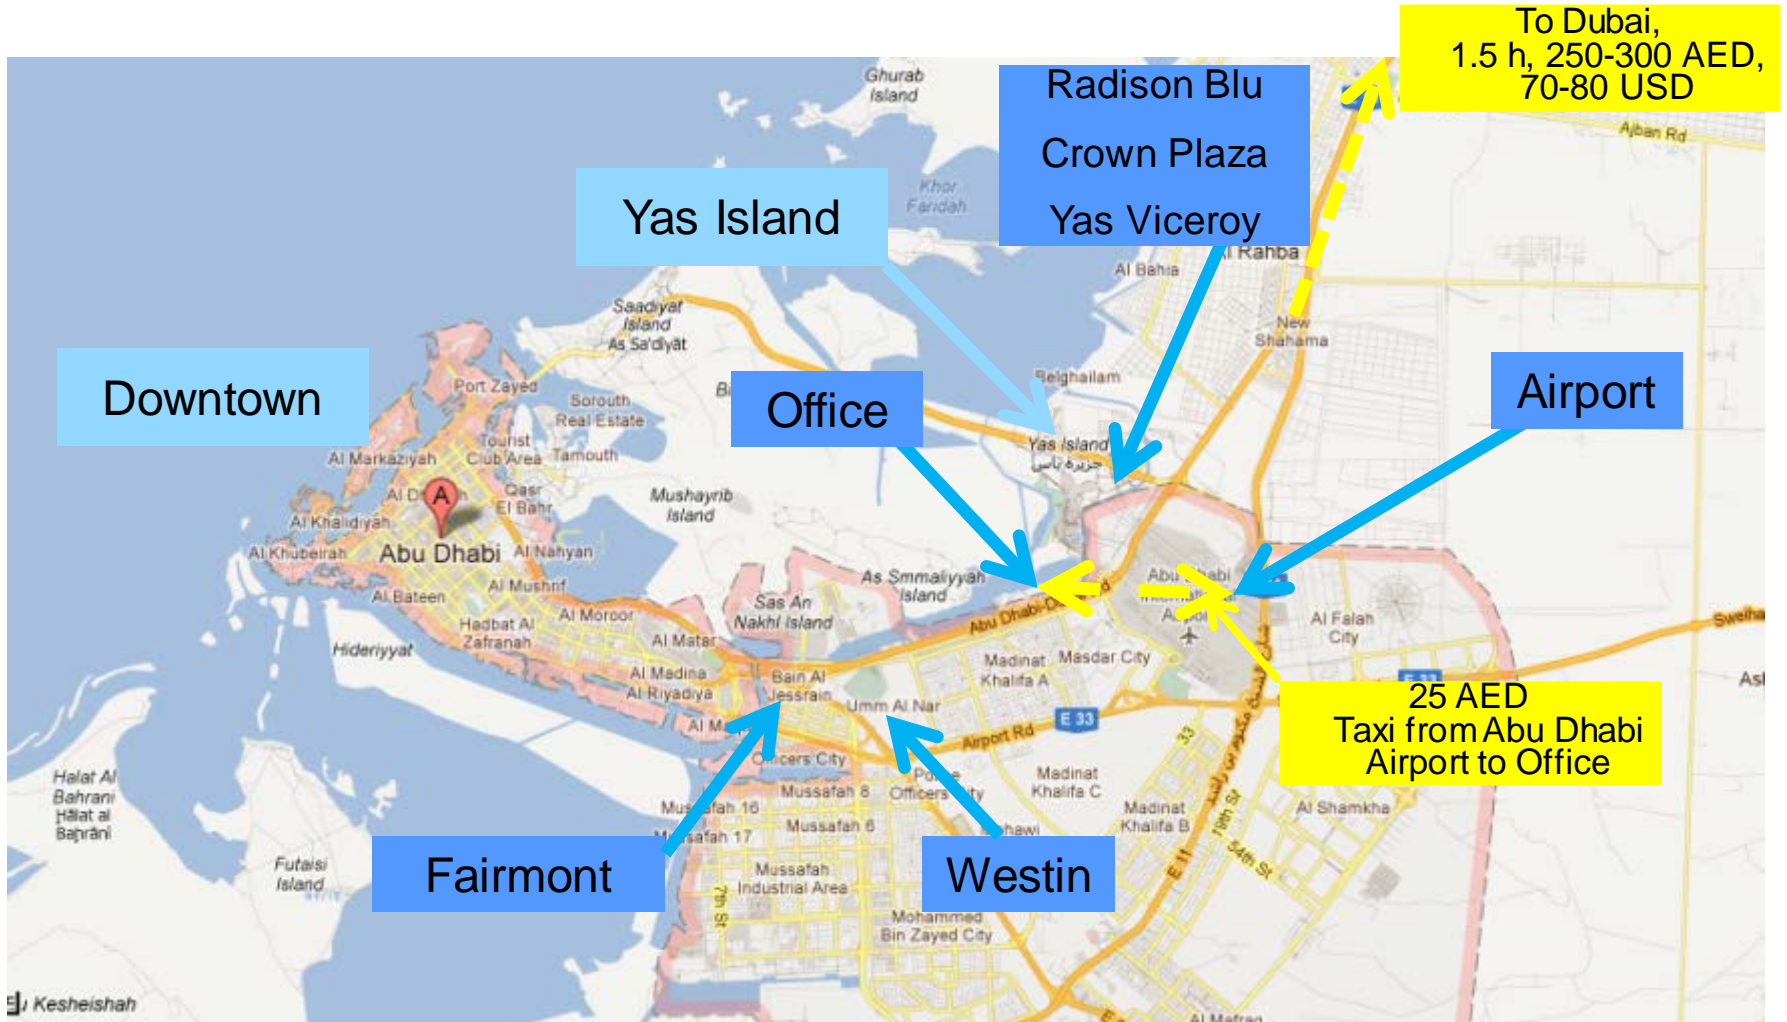

# Fly to Abu Dhabi or Dubai

# ABB Office in Aldar HQ, Floor 2-4

# Overview Map

### From Dubai & Saadiyat Island

Driving from Dubai, stay on the Abu Dhabi to Dubai Highway. As you approach Abu Dhabi you will come to the beginning of Raha Beach just after the exit for Abu Dhabi Airport. On your right hand side you will see Al Bandar and will pass the exit signs for Al Bandar at Interchange 5. Directly after Al Bandar, take the next exit sign posted 'ALDAR HQ' (Exit 27) and keep in the right hand lane. This will bring you up to Interchange 4. At the end of the Interchange follow the road round to the Left and this brings you on the Boulevard which will take you directly to the entrance of HQ Building. On entry to the Podium, drive straight ahead towards the water feature keeping to the left hand lanes. Directly ahead of you, you will see two car park barriers at the top of the podium and this will provide access to the underground car park.

### From Abu Dhabi

Driving from Abu Dhabi, take either Airport Road (via Maqta Bridge) or Salam Street (via [Sheikh Zayed Bridge](#)) and join the Abu Dhabi to Dubai Highway. As you approach Raha Mall on your left hand side, follow the exit sign posted 'Al Raha Beach' (Exit 29) and then sign posted 'ALDAR HQ' keeping in the right hand lane. This will bring you over Interchange 4 and over the Highway. At the end of the Interchange follow the road round to the Left and this brings you on the Boulevard which will take you directly to the entrance of HQ Building. On entry to the Podium, drive straight ahead towards the water feature keeping to the left hand lanes. Directly ahead of you, you will see two car park barriers at the top of the podium and this will provide access to the underground car park.
