Life cycle phase change of COMMON DRIVE CONTROL (CDC) SYSTEM (APC2)

1. LIFE CYCLE STATUS CHANGES

The CDC (APC2) product is reaching limited life cycle phase in 1.1.2014 and obsolete phase in 1.1.2017.

2. SUPPORT AVAILABILITY IN LIMITED PHASE

Following services will be available after 1.1.2014:

- Spare part availability will be limited
- Onsite services will be limited

Following services will not be available after 1.1.2014:

- Technical support services
- Training services
- Preventive maintenance and reconditioning services
- Workshop repair services

During the limited phase it is highly recommended to replace the existing installation with newer automation system.

3. SUPPORT AVAILABILITY IN OBSOLETE PHASE

No services available.
