**Declaration of Conformity**

We ABB AB, Grid Automation Products, SE-721 59 Västerås, Sweden, declare under our sole responsibility that the family of apparatus:

| **Busbar Protection** | **Type:**  
| --- | ---  
| | REB650, Ver. 2.2  
| | acc. to Product Guide  
| | 1MRK 505391-BEN |

to which this declaration relates is in conformity with the following directives:

| **Directive** | **EMC Directive 2014/30/EU**  
| --- | ---  
| | Low Voltage Directive 2014/35/EU |

Our internal quality control system ensures compliance between the manufactured products and the technical documentation.

**Year of affixed CE-marking**  
2017

**Application of the objects**  
The family is intended for use in the industrial environment and to protect high voltage or high power apparatus, and thus normally used in a harsh electromagnetic environment near high voltage apparatus.
