EC DECLARATION OF CONFORMITY

Product category:	EMERGENCY LIGHTING
Product or product range:	**Emergi-lite CORDONA CPW Series**

This is to certify that:
The product range described above, manufactured by:

ABB Installation Products
Heliport
6000, Kecskemet-Kadafalva
Hungary

Has been designed and manufactured to comply with:

- EU Directive 2014/35/EU for Electro Magnetic Compatibility Directive
- EU Directive 2014/30/EU for Low Voltage Directive
- EU Directive 93/68/EEC for CE Marking
- EU Directive (EU) 2015/863 for RoHS

The product range is designed and manufactured under the ISO 9001:2015 Quality System & Certificate of Registration by British Standard Institution licence FM 09470

The self-certification route has been used for compliance.

Relevant standards:	BS EN 55015:2013 + A1:2015	Limits and methods of measurement of radio disturbance characteristics.
	BSEN61547:2009	Requirements for immunity from electromagnetic disturbances (specific to lighting)
	EN 61000-3-2:2014	Limits for harmonic current emissions
	BS EN 60598-1:2015	General requirements for Tests
	BS EN 60598-2-22:2014	Specification for luminaires used for emergency lighting.
	BS EN 60598-2-2:2012	LUMINAIRES, Particular requirements, Recessed luminaires

CE marking was introduced in December 1995
