Electrification products

### What we do in Byhalia

The Byhalia Distribution Center is ABB's U.S. warehousing, logistics, and distribution hub for electrification products manufactured domestically and globally.

### Who we serve

In Byhalia, we warehouse, package, and ship a diverse set of ABB products, including electrical connectors and junction boxes, wire and cable management systems, and electrical safety equipment. We ship products to customers and partners across the globe

including hardware stores, electrical contractors and distributors, manufacturers, and electric utilities.

### ABB in the U.S.

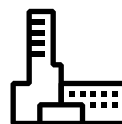

ABB is a pioneering technology leader that works closely with utility, industry, transportation and infrastructure customers to write the future of industrial digitalization, increasing productivity and boosting efficiency.
