Subject: RoHS II declaration

Alingsås, October 23th, 2025

On January 3rd 2013, Directive 2011/65/EU (RoHS II) on the restriction of the use of certain hazardous substances in electrical and electronic equipment replaced Directive 2002/95/EC (RoHS).

According to our current best knowledge and according to the information provided by suppliers, ABB states that manufactured Cable Distribution Cabinets and related accessories comply with the materials and substances restrictions in Directive 2011/65/EU (RoHS II) and Amendment Directive (EU) 2015/863. All information concerning RoHS exemptions is illustrated in 2CGC0113.
