Power-One is now officially known as ABB. But this is much more than just a name change. One of the most innovative inverter manufacturers in the world now has the engineering, infrastructure and financial clout of a Fortune 500 company. The benefits to our customers and the solar industry as a whole should be felt for years to come. ABB now has one of the industry’s most comprehensive offerings of solar inverters for residential, commercial and utility-scale pv installations.
