Expanded post base offering

The versatile Superstrut metal framing system has more mounting options available for more applications with these post bases.

Flush-style post bases

In addition to an expanded range of traditional post bases, flush-style post bases enable close positioning of columns.

Available in a variety of finishes

Superstrut post bases are available in a wide range of finishes: GoldGalv®, SilverGalv®, hot-dip galvanized, stainless steel and 316 stainless steel.

Superstrut post bases
