NOTICE

This document contains information about one or more ABB products and may include a description of or a reference to one or more standards that may be generally relevant to the ABB products. The presence of any such description of a standard or reference to a standard is not a representation that all of the ABB products referenced in this document support all of the features of the described or referenced standard. In order to determine the specific features supported by a particular ABB product, the reader should consult the product specifications for the particular ABB product.

ABB may have one or more patents or pending patent applications protecting the intellectual property in the ABB products described in this document.

The information in this document is subject to change without notice and should not be construed as a commitment by ABB. ABB assumes no responsibility for any errors that may appear in this document.

In no event shall ABB be liable for direct, indirect, special, incidental or consequential damages of any nature or kind arising from the use of this document, nor shall ABB be liable for incidental or consequential damages arising from use of any software or hardware described in this document.

This document and parts thereof must not be reproduced or copied without written permission from ABB, and the contents thereof must not be imparted to a third party nor used for any unauthorized purpose.

The software or hardware described in this document is furnished under a license and may be used, copied, or disclosed only in accordance with the terms of such license. This product meets the requirements specified in EMC Directive 2004/108/EC and in Low Voltage Directive 2006/95/EC.

Section 1 Introduction

This document includes listing of the Release Notes, System Guides, and User Manuals applicable for:

- 800xA 5.1 Rev E
- 800xA 5.1 Feature Pack 4 Rev E

This document revision is not associated with the system revision.

Release Notes

Table 1 lists the Release Notes that are released for use with 800xA 5.1 Rev E and 800xA 5.1 Feature Pack 4 Rev E.

The Release Notes are available in the following ways:

- Included on the Released User Documents CD (CD 1 column in Table 1) supplied with the original 800xA 5.1 release media.
- Included in the 800xA Documentation Advisor (Advisor column in Table 1).
- Available for download from ABB SolutionsBank (ABB SB column in Table 1).

Key to Table 1:

- A dash (—) in the CD 1, Advisor, or ABB SB column indicates the first version of the Release Notes for 800xA 5.1.
- A letter in the CD 1, Advisor, or ABB SB column (A, B, C, etc.) indicates the latest revision of the Release Notes for 800xA 5.1.
• A blank in the CD 1 or Advisor column indicates that the Release Notes are not available on CD or in the 800xA Documentation Advisor for the latest revision of 800xA 5.1.

System Guides

Table 2 lists the System Guides that are released for use with 800xA 5.1 Rev E and 800xA 5.1 Feature Pack 4 Rev E.

The System Guides are available in the following ways:

- Included on the Released User Documents CD (CD 1 column in Table 2) supplied with the original 800xA 5.1 release media.
- Included in the 800xA Documentation Advisor (Advisor column in Table 2).
- Available for download from ABB SolutionsBank (ABB SB column in Table 2).

Key to Table 2:

- A dash (—) in the CD 1, Advisor, or ABB SB column indicates the first version of the System Guide for 800xA 5.1.
- A letter in the CD 1, Advisor, or ABB SB column (A, B, C, etc.) indicates the latest revision of the System Guide for 800xA 5.1.
- A blank in the CD 1 or Advisor column indicates that the System Guide is not available on CD 1 or in the 800xA Documentation Advisor for the latest revision of 800xA 5.1.
- A Yes in the Revision E and Feature Pack 4 Revision E columns indicate that the System Guide is part of both the release media for Revision E and Feature Pack 4 Revision E.
- A No in the Revision E and Feature Pack 4 Revision E columns indicate that the System Guide is not part of the release media for Revision E and Feature Pack 4 Revision E.

Safety Manuals

Table 3 lists the Safety Manuals that are released for use with 800xA 5.1 Rev E and 800xA 5.1 Feature Pack 4 Rev E.

The Safety Manuals are available in the following ways:

- Included on the Released User Documents CD (CD 2 column in Table 3) supplied with the original 800xA 5.1 release media.
- Included in the 800xA Documentation Advisor (Advisor column in Table 3).
- Available for download from ABB SolutionsBank (ABB SB column in Table 3).

Key to Table 3:

- A dash (—) in the CD 2, Advisor, or ABB SB column indicates the first version of the Safety Manual for 800xA 5.1.
- A letter in the CD 2, Advisor, or ABB SB column (A, B, C, etc.) indicates the latest revision of the Safety Manual for 800xA 5.1.
- A blank in the CD 2 or Advisor column indicates that the Safety Manual is not available on CD 2 or in the 800xA Documentation Advisor for the latest revision of 800xA 5.1.
- A Yes in the Revision E and Feature Pack 4 Revision E columns indicate that the Safety Manual is part of both the release media for Revision E and Feature Pack 4 Revision E.
- A No in the Revision E and Feature Pack 4 Revision E columns indicate that the Safety Manual is not part of the release media for Revision E and Feature Pack 4 Revision E.

(1) This Revision or later
User Manuals

Table 4 lists the User Manuals that are released for use with 800xA 5.1 Rev E and 800xA 5.1 Feature Pack 4 Rev E.

The User Manuals are available in the following ways:

- Included on the Released User Documents CD (CD 1 column in Table 4) supplied with the original 800xA 5.1 release media.
- Included in the System Installer (MSI in Table 4) that installs user documents on System 800xA nodes, and supplied with the latest release media available for download from ABB SolutionsBank.
- Included in the 800xA Documentation Advisor (Advisor column in Table 4).
- Available for download from ABB SolutionsBank as a single pdf (ABB SB column in Table 4).

Key to Table 4:

- A dash (—) in the CD 1, MSI, Advisor, or ABB SB column indicates the first version of the User Manual for 800xA 5.1.
- A letter in the CD 1, MSI, Advisor, or ABB SB column (A, B, C, etc.) indicates the latest revision of the User Manual for 800xA 5.1 supplied with the latest release media.
- A blank in the CD 1, Advisor, or MSI column indicates that the User Manual is not available on CD 1 or in the 800xA Documentation Advisor or in the System Installer for 800xA 5.1.
- A Yes in the Revision E and Feature Pack 4 Revision E columns indicate that the User Manual is part of both the release media for Revision E and Feature Pack 4 Revision E.
- A No in the Revision E and Feature Pack 4 Revision E columns indicate that the User Manual is not part of both the release media for Revision E and Feature Pack 4 Revision E.
