

Product Change Notification

PCN110924.FURSE

Dear Valued Customer,

ABB Furse have made the changes described below to products within the ESP and OVR Surge Protective Device (SPD) product ranges.

Products affected by the change:
ESP SL X Series, OVR SL X Series

Description of Change:
 To maintain the highest possible level of service for all our customers, these SL X series products will be discontinued with immediate effect. For applications that do not require ATEX approval, use the standard equivalent SL range:
