Instructions for emailing invoices:

- Emailed invoices must be submitted in either .pdf file format.
- Each email attachment must contain only one invoice along with supporting documentation for that invoice (each invoice and all the associated supported documentation must be attached as one complete file and do not submit invoices and supporting documents as separate files).
- Multiple e-mail attachments (Invoices) can be sent in a single email. Max. 10 PDFs per email (5MB Total).
- The invoices billed are to be emailed only once. Please address any invoice process issues (missing invoice) through our inquiry process.
- This email id should be used for the purpose of sending an invoice only. Please use our inquiry process for reminders, statements, and other correspondence.
- Invoice image must be of at least 300 dpi resolution.
- Invoice image should be upright and be on the first page of attachment.
- Any invoices that do not meet the above criteria are subject for rejection.

Note: File name attached should not contain special symbol or characters such as #, \$,* @, : -, & etc.

Note: Please do not send any emails with attachments that require a password. This feature would not allow the inbound of invoice into the system.

Note: The outlook setting "Delivery request" must be switched off. Otherwise, an automatic reply will be sent, indicating that the e-mail is deleted without reading, although the invoice is inbound.

Note: .Zipped file or email attached in another email are not acceptable.

Note: Please do not include any written message which requires any action in the email as the message included in the email will not be read.

II. Invoices via physical mail service:

Physical invoices must be sent to the invoice address mentioned in the PO. In case no invoicing address is provided, invoices must be sent to the following address:

Invoice requirements - deviations from Global Hitachi Energy standard P2P (related to chapter 6 of global P2P)

Listed below are the minimum details that an invoice must carry to ensure faster processing and avoid rejections. Please note any invoice not meeting this minimum requirement list is liable to be rejected by Hitachi Energy.

- Supplier name, number, address, and supplier reference person including contact details (telephone, e-mail etc.)
- Correct delivery (Ship-To) and invoicing address (Bill-To) of Hitachi Energy, including correct legal entity name
- Best practice is to add to the Billing Address the Hitachi Energy ERP Vendor Number.
- Tax or VAT number of supplier and customer
- Invoice date (dd/mm/yyyy format, unless specified otherwise)
- Invoice number (max of 16 characters)
- Payment terms/Incoterms
- If Purchase Order invoice, state Hitachi Energy purchase order number in customer "Reference" field– in case not applicable, to be confirmed by Hitachi Energy purchaser/buyer. The purchase order number (guidance: one PO, one invoice) should be listed in the invoice header fields (together with invoice date, invoice number etc.).
- If No Purchase Order Invoice, state Hitachi Energy name (=invoice coder/reviewer) or no-purchase order Hitachi Energy identification number in customer "Reference" field. This should be listed in the invoice header fields (together with invoice date, invoice number etc.). No-purchase order invoices without a reference will be disputed or returned/rejected.
- Please adopt the position number from our purchase order
- Quantity, if applicable
- Date of delivery of Goods or Services
- Description of goods and/or services (line items and description in the purchase order should match the invoice)
- Currency
- Net amount per position
- Tax rate per position
- Total net amount
- Gross amount (total amount invoiced)
- Bank details and your complete address
