M SERIES MINI CONTACTORS

# Rebranding Announcement

## GE branded orders will be replaced

Bringing our customers the Best of Both, we have integrated the GEIS M Series Mini Contactors into the ABB portfolio and have applied ABB branding on the new optimized portfolio offering.

**Starting in October 2020, orders received for GE brand mini contactors will be delivered with GE brand until stock is depleted, then will be replaced automatically with the ABB brand mini contactor when there is a 100% matching substitute.**

### **Key Transition Dates**

**June 2020:** GE branded products have been set as Make To Order

**September 2020:** Last Time Buys accepted for GE branded products

**October 2020:** Orders received for GE brand mini contactors will be delivered with GE brand until the end of stock and then will be replaced automatically with the ABB brand mini contactor when there is a 100% matching substitute.

Please contact your local sales team with further questions.

Thank you for your continuous support.

Yours sincerely,

**Berea Janzen**

Product Marketing Manager – Contactors  
Smart Power Division
