Product: Air quality sensor with RTC
Type: LGS/A 1.2
Current application software: CO2, rel. Humidity, Temperature and RTC/1.1a

Correction of: CO2, rel. Humidity, Temperature and RTC/1.1a from: 07/2018

Corrections
Correction of the language files for the catalogue import. In the last version (V1.1) the German language wasn’t shown at import into ETS5. However the language was available when selecting the option “Import all”

Market introduction
of: CO2, rel. Humidity, Temperature and RTC/1.1
