

# Series 200

## 200-CIE Drop Cable Mountkit

1. Connect the 200-GDS and the mounting plate EM-MP-45 to the DIN-rail.
2. Mount the uninsulated part of the cable to the 200-GDS
3. Strap the transceiver to the mounting plate with two straps and connect the cable.
4. Connect the cable to the 200-CIE.
