Limited range of life cycle services and support

Replacement and end-of-life services

Current life cycle status

ACSM1 product types are in the Limited life cycle phase since 1.1.2024, according to the ABB life cycle model outlined above.

Life cycle plan

It is planned to keep ACSM1 in the Limited phase until the end of 2024, after which it will be transferred to the Obsolete phase.

Product availability in Limited phase

The product is no longer available.

Recommended actions

It is recommended to replace the ACSM1. Please contact your local ABB for migration to latest generation equivalent products.

Service availability

See details at new.abb.com/drives/Services and contact your local ABB representative for availability.
