Switches & sockets
Master the light with us

The world of ABB, Elektro-Praga

Meet the members of our family

The world of Elektro-Praga switches & sockets. Nine design ranges, over 50 different colours and shades of light switches, power sockets and other elements of modern electrical technology. From common materials to steel, wood, metal or porcelain. We will supply every conceivable product, starting from light switches, through door entry systems to protected power sockets. ABB modern electrical installation can do more than you can imagine. Comprehensive solutions in design and functionality. With us, modern electrical installation for easy living is truly affordable for all. Choose from our family of ABB household electrical installation designs, which will fine-tune your home and interior and, what's more, make it safer and more comfortable for you and those who are close to your heart.

Swing®L

Exquisite and convenient design

Effortlessly enduring every day.

As sensible and reliable as a mother with her family. Swing®L is a beacon showing the way from your old apartment to a new house. It is as exciting as your first day of school.

Swing®L

Levit®

Fancy design for a fancy life

Life, and not only with small kids, is full of colour variations. It can be peaceful and calm, as well as enormously vibrant. Design as colourful as life, wherever you are in it.

Levit®

- 01 white / ice white
- 02 white / white

- 02 AudioWorld amplifier with FM tuner
AudioWorld flush-mounted speaker

Levit®

Fancy design for a fancy life

Levit® has many faces. It can be elegant and timeless, playful and individual. Levit® – synonymous with neat modern style and a rich palette of hues and tones, combining in truly universal design.

01

02

Levit® green / smoke black

01 rocker switch, 1 gang

socket outlet, shuttered

02 blind switch with touch control

Neo®

Provoking and infallibly unique

Full of fresh colours evocative of whitewater rafting, relaxing on the grass, or fresh orange juice with crushed ice. Neo® is like a wild young couple, finally living on their own: outspoken and opinionated!

Neo®

01 white / ice white

02 white / ice orange

03 white / ice green

04 white / ice blue

05 white / white

06 white / ice grey

07 graphite / ice white

01

station with display and handsfree

Neo[®] Tech In its own style

Steel strings, great shape, distinctive and powerful sound. Neo[®] Tech is like playing an electric guitar. It can play both wild metal solos and graceful melodies embodied in colours and in thin light switches. It is eternal, like music. It has its own style.

Neo[®] Tech

01 titanium / onyx

02 steel / titanium

03 onyx / titanium

04 steel / teracotta

01

02

03

04

Neo® Tech In its own style

A metallic finish and an almost raw style of clear geometric shapes offer almost absolute timelessness. It is always original – in any colour.

01

02
