Declaration

We ABB AB, Substation Automation Products, SE-721 59 Västerås, Sweden, declare under our sole responsibility that the family of apparatus:

| Generator Protection | Type:  
|                       | REG670, Ver. 2.0  
|                       | acc. to Product Guide  
|                       | 1MRK 502054-BEN  |

to which this declaration relates is in conformity with the following directives

| Directive | EMC Directive 2014/30/EU  
|           | Low Voltage Directive 2014/35/EU  |

Our internal quality control system ensures compliance between the manufactured products and the technical documentation.

| Year of affixed CE-marking | 2014  |

Application of the objects

The family is intended for use in the industrial environment and to protect high voltage or high power apparatus, and thus normally used in a harsh electromagnetic environment near high voltage apparatus.
