

# Product Change Notification

PCN100924.FURSE

Dear Valued Customer,

ABB Furse Ltd will make the changes described below to products within the ESP Surge Protective Device SPD product range.

Products affected by the change:
ESP DC125 (Power SPD for up to 125V DC systems)

Description of Change:		
To maintain the highest possible level of service for all our customers, these items will be discontinued with immediate effect.		
Items/ Product:	Part Numbers Obsolete:	Replacement Part Numbers:
ESP DC Series	ESP DC125 (ABB Order code 7TCA085460R0295)	ESP DC500T2/40/BESS (contact Furse for specific product based on applications)

Stock levels for these part numbers are at zero, therefore we are unable to produce a last time buy or provide an order bank.

ABB Furse apologizes for any inconvenience this may cause.

For lead times and available stock of specific part numbers, please contact either the Nottingham customer support teams and sales offices.
