Sign up for My ABB if you haven't got a password previously.

The screenshot shows a mobile application interface for logging into 'My ABB'. At the top, there are navigation links: OFFERINGS | MEDIA | CAREERS | INVESTORS |. Below these is a vertical sidebar with icons for menu, search, home, share, lock, and star. The main content area is titled 'Login to My ABB' and contains two input fields: 'E-mail address' and 'Password'. Below the password field is a link for 'Forgot your password?'. A 'Login' button is positioned below the password field. Underneath the login section is a 'Sign up for My ABB' section with a sub-header. The text below the sub-header reads: 'Sign up for a My ABB account to access some of our online services' followed by a link 'More about My ABB'. A 'Sign up' button is located at the bottom of this section. The background of the app shows a stylized industrial scene with yellow and blue lines.

The screenshot shows the myABB dashboard interface. The main content area is divided into two columns. The left column is titled "Products, Parts and Consumables Information" and contains a grid of product categories with their respective counts: Control Systems (8793), High Voltage Products (421), Marine Solutions (15), Medium Voltage Products and Systems (14548), Motors and Generators (4490), Pulp & Paper Solutions (300), Semiconductors (1614), Drives (8721), Low Voltage Products and Systems (852), Measurement and Analytics (7182), Mining Solutions (354), Power Converters and Inverters (224), and Robotics (20335). A blue button labeled "Go to Parts and Consumables" is located at the bottom of this section. The right column is titled "Contact Us" and features an envelope icon and a blue "Contact Us" button. Below this is the "Other Services" section, which has two tabs: "Available" and "On Request". Under the "Available" tab, there is a list of services: ServIS - My Sites, MOSS NAM, MyLearning (highlighted with a mouse cursor), Event Capture, and ATRIM. A large black arrow points to the MyLearning option. At the bottom right of the dashboard, there is a link that says "→ Go to old myABB".
