In addition Supplier shall carry out such necessary additional inspection or testing at Supplier's own cost whereby Customer shall be entitled to be present and in attendance.

8.3 Notwithstanding any inspection or test sampling by Customer, Supplier shall remain fully responsible for the Goods compliance with the Order. This applies whether or not Customer has exercised its right of inspection and/or testing and shall not limit Supplier's obligations under the Order. For the avoidance of doubt, inspection or testing of Goods by Customer shall in no event exempt Supplier from or limit Supplier's warranties or liability in any way.

9. WARRANTY

9.1 Supplier warrants that the Goods:

9.1.1 comply with all agreed specifications, including all specified material, workmanship and the like, documentation and quality requirements, or in absence thereof are fit for the purposes for which goods of the same description type would ordinarily be used and keep the functionality and performance as expected by Customer according to Supplier's information, documentation and statements;

The IPR Indemnification applies whether or not Supplier may have been negligent or at fault and does not limit any further compensation rights of Customer. Supplier's obligation to indemnify Customer as provided under this Clause shall not apply if and to the extent the liability or damage was caused by Customer's own pre-existing Intellectual Property Rights contributed to, or implemented into the Goods provided by Supplier.

11.2 If any infringement claim is made against Customer, Customer may without prejudice to its rights under Clause 11.1 also request at its discretion and at Supplier's cost that Supplier (i) procures for Customer the right to continue using the Goods; (ii) modifies the Goods so that they cease to be infringing; or (iii) replaces the Goods so that they become non-infringing.

11.3 In the event Supplier cannot fulfil Customer's above request, Customer shall be entitled to terminate the Order, to reclaim all sums which Customer has paid to Supplier under the Order and to claim compensation in accordance with Clause 11.1 and for any other costs, losses or damages incurred whatsoever.

12.1 The Goods covered by this ABB GTC/Goods shall be provided by Supplier in compliance with all relevant legislation, regulations, and codes of practice, guidance and other requirements of any relevant government or governmental agency applicable to Supplier. To the extent that such regulations are advisory rather than mandatory, the standard of compliance to be achieved by Supplier shall be in com-

pliance with the generally accepted best practice of the relevant industry.

12.2 Both Parties warrant that each will not, directly or indirectly, and that each has no knowledge that the other Party or any third parties will, directly or indirectly, make any payment, gift or other commitment to its customers, to government officials or to agents, directors and employees of each Party, or any other party in a manner contrary to applicable laws (including but not limited to the U. S. Foreign Corrupt Practices Act and, where applicable, legislation enacted by member states and signatories implementing the OECD (Convention Combating Bribery of Foreign Officials), and shall comply with all relevant laws, regulations, ordinances and rules regarding bribery and corruption. Nothing in this ABB GTC/Goods shall render either Party or any of its Affiliates liable to reimburse the other for any such consideration given or promised.

12.3 Either Party's material violation of any of the obligations contained in this Clause 12 (Compliance with Relevant Law) may be considered by the other Party to be a material breach of the respective contractual relationship for the sale of Goods to which this ABB GTC/Goods applies, and shall entitle such Party to terminate such contractual relationship with immediate effect and without prejudice to any further right or remedies under such contractual relationship or applicable law.

12.4 Supplier shall indemnify without any agreed limitations Customer for all liabilities, damages, costs, or expenses incurred as a result of any such violation of the above mentioned obligations and termination of the respective contractual relationship for the sale of Goods.

12.5 Upon signing an Order to which this ABB GTC/Goods applies, Supplier herewith acknowledges and confirms that it has been provided information on how to access ABB's Code of Conduct and ABB's Supplier Code of Conduct online (Web portal: www.abb.com). Supplier shall comply, unless this transaction is exempt under applicable regulations, with all provisions of Executive Order 11246 of September 24, 1965, as amended, and with the relevant orders of the Secretary of Labor relating to Equal Employment Opportunity, and clauses thereby required are incorporated herein by reference. If the Contract or an Order is subject to government contracting mandates, Customer will so state on the face hereof, and if so stated, as a condition to its effectiveness, Supplier agrees to certify to Customer, by separate writing, that it complies with all government contracting requirements applicable to Customer, Supplier and the Goods.

13. CONFIDENTIALITY AND DATA PROTECTION

13.1 Supplier shall:

13.1.1 Unless otherwise agreed in writing, keep in strict confidence all technical or commercial information, specifications, inventions, processes or initiatives of Customer which have been disclosed to Supplier by Customer or its agents and any other information concerning Customer's business or its products and/or its technologies, and which Supplier obtains in connection with the Goods (whether before or after acceptance of the Order). Supplier shall restrict disclosure of such confidential material to such of its employees, agents or

sub-contractors as need to know the same for the purpose of the provision of the Goods to Customer. Supplier shall ensure that such employees, agents, sub-contractors or other third parties are subject to and comply with the same obligations of confidentiality as applicable to Supplier and shall be liable for any unauthorized disclosures;

13.1.2 Apply reasonable safeguards against the unauthorised disclosure of Customer's confidential and proprietary information and protect confidential information in accordance with the generally accepted standards of protection in the related industry, or in the same manner and to the same degree that it protects its own confidential and proprietary information – whichever standard is the higher. In particular Supplier shall not (i) use Customer's data or information for any other purposes than for delivering the Goods, or (ii) reproduce the data or information in whole or in part in any form except as may be required by the respective contractual documents, or (iii) disclose Customer's data or information to any third party not authorised by Customer to receive it, except with the prior written consent of Customer;

13.1.4 Install and update at its own costs required adequate virus protection software and operating system security patches for all computers and software utilized in connection with delivering the Goods and shall provide updates to Customer if so requested by Customer.

13.2 Supplier agrees that Customer shall be allowed to provide any information received from Supplier to any other ABB Affiliate.

14.1 Without prejudice to applicable mandatory law or unless otherwise agreed between the Parties, Supplier shall compensate/indemnify Customer for all damages and losses in connection with the Goods whether or not Supplier may have been negligent or at fault (i) for Supplier's breaches of the terms of Contract, and (ii) for any claim, except for IPR Indemnification for which Clause 11 (Intellectual Property) applies, made by a third party (including employees of Supplier) against Customer in connection with the Goods and to the extent that the respective liability, loss, damage, injury, cost or expense was caused by, relates to or arises from the Goods delivered by Supplier and/or its sub-contractors. Upon Customer's request Supplier shall defend Customer against any third party claims.

14.2 Supplier shall be responsible for observance of all of its suppliers and/or sub-contractors, and it shall be responsible for the acts, defaults, negligence or obligations of any of its suppliers and/or sub-contractors, its agents, servants or workmen as fully as if they were the acts, defaults, negligence or obligations of Supplier.

14.3 The provisions of this Clause 14 (Liability and Indemnity) shall survive any performance, acceptance or payment pursuant to this ABB GTC/Goods and shall extend to any substituted or replacement Goods delivered by Supplier to Customer.

14.4 Unless otherwise expressly stated in the respective Order, Supplier shall maintain in force, and upon request provide evidence of, adequate liability insurance and statutory worker's compensation/employer's liability insurance with reputable and financially sound insurers. Nothing contained in this Clause 14 (Liability and Indemnity) shall relieve Supplier from any of its contractual or other legal liabilities. The insured amount cannot be considered nor construed as limitation of liability.

14.5 Customer reserves the right to set off any claims under the Order against any amounts owed to Supplier.

15. TERM AND TERMINATION OF ORDERS

15.1 The respective contractual relationship established by an Order under this ABB GTC/Goods may be terminated for convenience in whole or in part by Customer upon giving Supplier thirty (30) calendar days written notice, unless otherwise expressly stated in the relevant Order. In such event Customer shall pay to Supplier the value of the already delivered but unpaid parts of the Goods and proven direct costs reasonably incurred by Supplier for the undelivered and unpaid parts of the Goods, however in no event more than the agreed purchase price for the Goods under the respective Order. No further compensation shall be due to Supplier.

15.2 In the event of Supplier's breach of the Contract, including a breach of warranty, Customer shall be entitled to terminate the respective Contract established by an Order under this ABB GTC/Goods if Supplier fails to take adequate and timely actions to remedy a breach as requested by Customer. In such event, Customer shall have no obligation to compensate Supplier for the already delivered but unpaid parts of the Goods and Supplier shall be obliged to pay back to Customer any remuneration received from Customer for the Goods and take back the Goods at Supplier's own cost and risk.

15.3 Upon termination Supplier shall immediately and at Supplier's expense safely return to Customer all respective Customer property (including any documentation, data, and applicable Intellectual Property) and Customer information then in Supplier's possession or under Supplier's control and provide Customer with the complete information and documentation about the already delivered parts of the Goods.

16. FORCE MAJEURE

16.1 Neither Party shall be liable for any delay in performing or for failure to perform its obligations under a respective Order if the delay or failure results from an event of "Force Majeure." For clarification, Force Majeure means an event that was not foreseeable by the affected Party at the time of execution of the respective Order, is unavoidable and outside the control of the affected Party, and for which the affected Party is not responsible, provided such event prevents the affected Party from performing the respective Order despite all reasonable efforts, and the affected Party provides notice to the other Party within five (5) calendar days from occurrence of the respective event of Force Majeure.

16.2 If an event of Force Majeure occurs which exceeds thirty (30) calendar days either Party shall have the right to terminate the relevant Order forthwith by written notice to the other Party without liability to the other Party. Each Party shall use its reasonable endeavours to minimise the effects of any event of Force Majeure.

18. NOTICES

Any notice shall be given by sending the same by registered mail, courier, fax or by e-mail to the address of the relevant Party as stated in the Order or to such other address as such Party may have notified in writing to the other for such purposes. E-mail and fax expressly require written confirmation issued by the receiving Party. Electronic read receipts may not under any circumstances be deemed as confirmation of notice. Electronic signatures shall not be valid, unless expressly agreed in writing by duly authorised representatives of the Parties.

19. WAIVERS

Failure to enforce or exercise, at any time or for any period, any term of the ABB GTC/Goods or an Order does not constitute, and shall not be construed as, a waiver of such term and shall not affect the right later to enforce such term or any other term herein contained.

20. GOVERNING LAW AND DISPUTE SETTLEMENT

20.1 The respective Order and/or ABB GTC/Goods shall be governed by and construed in accordance with the laws of the State of New York, including the Uniform Commercial Code adopted therein, but excluding the provisions of the United Nations Convention on Contracts for the International Sale of Goods, and excluding New York law with respect to conflicts of law.

20.2 For domestic dispute resolution matters, whereby Customer and Supplier are registered in the same country, any dispute or difference arising out of or in connection with the respective Order and/or ABB GTC/Goods, including any question regarding its existence, validity or termination or the legal relationships established by the respective Order and/or ABB GTC/Goods, which cannot be settled amicably, shall be submitted to the jurisdiction of the State Courts of New York or the U. S. District Court for the Southern District of New York.

20.3 For cross border dispute resolution matters whereby Customer and Supplier are registered in different countries, unless agreed otherwise in writing between the Parties, any dispute or difference arising out of or in connection with the respective Order and/or ABB GTC/Goods, including any question regarding its existence, validity or termination or the legal relationships established by the respective Order and/or ABB GTC/Goods, which cannot be settled amicably, shall be finally settled under the Rules of Arbitration of the International Chamber of Commerce by three arbitrators appointed in accordance with the said Rules. The place of arbitration shall be the location where Customer is registered, unless otherwise agreed in writing. The language of the proceedings and of the award shall be English. The decision of the arbitrators shall be final and binding upon both Parties, and neither Party shall seek recourse to an ordinary state court or any other authority to appeal for revisions of the decision.

21. SEVERABILITY

The invalidity or unenforceability of any term or of any right arising pursuant to the ABB GTC/Goods and/or the Order shall not adversely affect the validity or enforceability of the remaining terms and rights, and the ABB GTC/Goods and/or the Order shall be given effect as if the invalid, illegal or unenforceable provision had been deleted and replaced by a provision with a similar economic effect to that of the deleted provision if this can be achieved by another provision.

22. SURVIVAL

22.1 Provisions of the ABB GTC/Goods which either are expressed to survive its termination or from their nature or context it is contemplated that they are to survive such termination shall remain in full force and effect notwithstanding such termination.

22.2 The obligations set forth in Clauses 9 (Warranty), 10 (Remedies), 11 (Intellectual Property), 13 (Confidentiality and Data Protection) and 14 (Liability and Indemnity) shall survive termination.

22.3 The obligations set forth under Clause 13 (Confidentiality and Data Protection) shall be valid for a period of five (5) years from Delivery of the Goods or termination of the Order unless otherwise agreed between the Parties.

23. ENTIRETY

The ABB GTC/Goods and the Order constitute the entire Contract and understanding between the Parties and replace any prior agreement, understanding or arrangement between the Parties, whether oral or in writing, except to the extent of fraud or any fraudulent misrepresentation. The relationship of the Parties is that of independent parties dealing at arm's length and nothing in this underlying contractual relationship shall be construed to constitute Supplier as an agent or

employee of Customer or so as to have any kind of partnership with Customer, and Supplier is not authorised to represent Customer as such.

24. FURTHER ASSURANCES

The Parties shall do and execute all such further acts and things as are reasonably required to give full effect to the rights given and the transactions contemplated by the respective Order and/or ABB GTC/Goods.
