

ABB UNIVERSITY

Site Bundle

One free week when you purchase four weeks of training

Leverage your training dollars for greater net benefit. Purchase four weeks* of training from ABB University US and enjoy one week of class absolutely free. The free week will be applied to the class week with the lowest dollar value.

Save on multiple weeks of class for multiple employees at your site when you take advantage of the Site Bundle.

Multiple engineering, programming, maintenance, and operations personnel from your site can utilize these 5 weeks of classes in a 12-month period**. ABB University delivers comprehensive and up-to-date expertise for existing and new ABB product offerings and technologies. The 12-month period starts on the first day of the first class or 60 days from purchase, whichever comes first.

When you sign up for this program, you will be given a number unique to your company's Site Bundle. Keep this number and have it available each time you enroll in a class.

There is no limit to the quantity of site bundles you purchase. Purchase Order must be received prior to activation of this program.

Courses are enrollment dependent and therefore subject to rescheduling. Should this occur, ABB University US will cancel the class at least 10 business days prior to the start date and will prioritize your enrollment in another class.

Since circumstances may require ABB University US to reschedule classes; please consider this when arranging travel. ABB is not responsible for non-refundable or penalty airline tickets.

*Contract discounts, project discounts, and other ABB customer agreement discounts cannot be applied to this program.
