Product Life Cycle Announcement

New Emax Air Circuit Breakers

In accordance with the ABB global strategy, the New Emax product line entered the Limited phase of its life cycle in 2019. Please be advised **December 2021** will be the Last Time Buy date for the New Emax UL circuit breakers. Exceptions to this are the New Emax IEC, New Emax DC, the 1000 V dc and the 1150 V ac versions as these will remain in production at this time.

For latest updates on lifecycle management timeline and key dates, please refer to [Low Voltage Products – Service Page](#).
