1) ON-Delay, OFF-Delay w. auxiliary voltage, Impulse-ON, Flasher starting ON, Flasher starting OFF, Pulse former

2) ON-Delay, OFF-Delay w. auxiliary voltage, Impulse-ON, Impulse-OFF, Flasher starting ON, Flasher starting OFF, Pulse former

3) 2 n/o contacts

4) Possible replacement: CT-SDS.23S, order code: 1SVR730211R2300, 380-440 V AC

Please check the catalog data for further information and the usability of the new product in your application.
For selected timing functions, variants with 2 c/o are available.
