

## ABB Power Care – 4. Self-Maintenance Services

### 4.1 Manuals and instructions on-line

**ABB Low Voltage Service offers customers a one-stop solution for accessing relevant, up-to-date manuals through the ABB Power Care portal.**

Upon activation, ABB Power Care customers gain immediate access to technical information, operation and maintenance manuals, on-line instructions, and premium application advice for the ABB Low Voltage equipment installed in their plants.

The ABB Low Voltage Products supported include:

- MNS Switchgears and components
- Circuit breakers and switches
- Large contactors
- Softstarter.

Information concerning the following can be found:

- Catalogues
- Product operating manuals
- Installation instructions
- Instructions about accessories
- Maintenance instructions
- Retrofitting kits
- Spare Parts.

This option of the ABB Power Care agreement guarantees that relevant and the most updated information is always accessible to customers through the ABB Power Care portal.
