

PRODUCT HIGHLIGHTS

Ocal® PVC-coated explosion-proof fittings

GUA, UNY, EYS and EYD series are now UL 1203 listed.

Ocal

Electrical equipment for use in explosive environments must be carefully selected to ensure it can be safely installed without triggering an explosion. Ocal GUA, UNY, EYS and EYD series fittings give you peace of mind with a UL 1203 listing for use in explosive environments.

Key differentiating features

- Explosion-proof Ocal GUA series conduit boxes, UNY conduit unions, EYS series sealing fittings and EYD series drain sealing fittings are now UL 1203 listed for explosion protection.
- Some manufacturers rely on uncoated castings' certification for explosion protection, but the product was never subjected to explosion-proof testing as a coated product.
- When you're dealing with a hazardous classified, explosion-prone environment, using Ocal UL 1203 listed components gives you the peace of mind that you have the certification and protection you need.
