

## Cities that consume 30% less energy?

As a leading producer of energy-efficient solutions, ABB helps deliver major power savings, without compromising performance. Our lighting control systems can deliver power savings of up to 50%, and our building automation up to 60%. While everyone else is talking about energy prices, power shortages and climate change, ABB is doing something about it, right here, right now. [www.abb.com/energyefficiency](http://www.abb.com/energyefficiency)

Certainly.
