PrimeGear™ ZX0

Greener is smarter.
Smarter is greener.

new.abb.com/medium-voltage/primegearZX0

-30% TCO

Greener

SF₆-free

Global warming potential < 1

Flexibility

-20% heat generation

With all the **benefits of SF₆ switchgear**

Safer

Robust build

Low pressure design

Smarter

Monitor your switchgear from **anywhere**

-25% footprint

10% faster installation

-20% **execution time**

More reliable

Range of temperatures and conditions

Lower stress levels

Lower risks of leakage or failure

Peace of mind
