IP Patch Module, MDRC

Patch module (RJ 45 module with mounting adapter) for DIN rail mounting, Cat.6A, Class EA, shielded.

Functions:
- Module can be grounded with standard blade terminal
- RJ45 outlet 45°
- Captive dust cover
- Labelling field
- 360° strain relief and shielding
- Mounting with standard tools
- Supports PoE+ (Power over Ethernet) according to IEEE 802.3at
- Wire diameter AWG 22-24
- Colour Code EIA/TIA 568 A and B

Bitrate: Cat.6A, 10-Gigabit-Ethernet-networks (bandwidth up to 500 MHz)
Safety class: II (not grounded) DIN EN 61140
Protection class: IP 20, DIN EN 60 529
Norms: DIN EN 50173-1:2003-06, Category 6
Colour: similar RAL 7035
Mounting: DIN rail 35 mm, DIN EN 60 715
Width: 1 module à 18 mm
Manufacturer: ABB STOTZ-KONTAKT
Type: IPM/S 1.1
Material: Labour:...
