

ABB Welcome™

Cover frames, flush mounting box, and rain hood

The cover frames, flush mounting box, rain hood along with the modules complete the outdoor station. The modules snap on to the cover frames, which can then be flush mounted using the the flush mounting box or surface mounted using the rain hood and flush mounting box. When installed correctly, an IP54 and tamperproof IK07.

Key features

- Cover frames are available in aluminum or coated white finish.
- The modules snap into the cover frames making them easy to install.
- Flush mounting boxes are fitted with 1/2" and 3/4" knock-outs on sides and rear. Can be surface or DIN rail mounted.

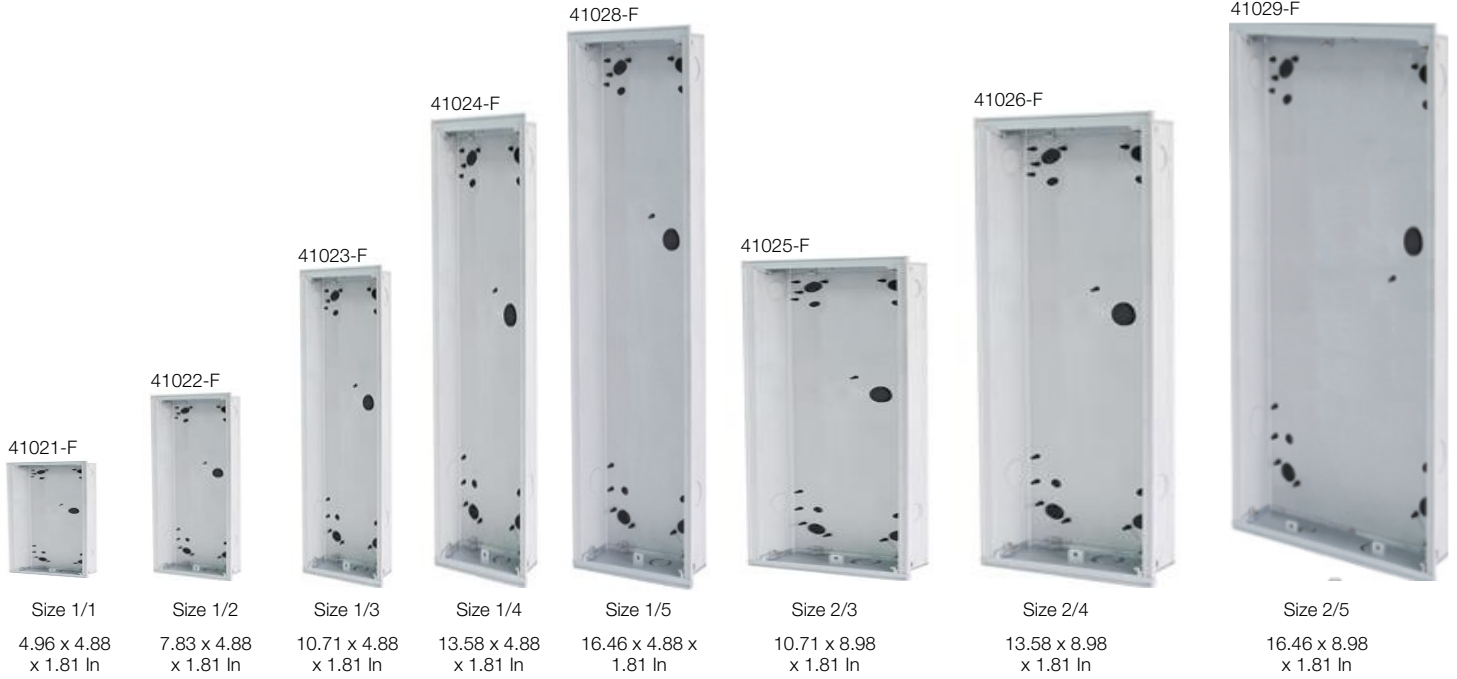

Cover frames

A = Aluminum Finish
W = Coated White Finish

Size	Part Numbers	Dimensions (in)
Size 1/1	51021CF-A 51021CF-W	5.04 x 4.92 x 0.75
