RE: Phenolics Boxes and Accessories + Discontinuation Notice

After careful consideration, ABB Installation Products has decided to discontinue production of the CARLON Phenolics boxes and accessories.

Customers will be given a last time buy opportunity. Traditional customers (C&I and Retail/Other) have 60-days' notice and big box retailers will be given 90-days' notice from date of this letter. Following this notice and last time buy opportunity, CARLON Phenolic boxes and accessories will move to "Limited" Status and later transition to "Obsolete" status.

Big Box Retailers:

Effective June 2, 2020 all catalog numbers that are transitioning to "Limited" status will no longer be manufactured. On Aug 2, 2020, these "Limited" status catalog numbers will transition to "Obsolete" status and will no longer be available for quote or rebates. Please plan accordingly.

C&I Channel, and Retail/Other:

Effective May 2, 2020 all catalog numbers that are transitioning to "Limited" status will no longer be manufactured. On July 2, 2020 these "Limited" status catalog numbers will transition to "Obsolete" status and will no longer be available for quote or rebates. Please plan accordingly.
