## CERTIFICATE of Industrial<sup>IT</sup> Conformance

**Certificate Id:** DEAPR2001/002, Revision.: 1  
**Document No.:** 3BDS009171

**Name:** ACS160 Frequency Drive  
**Model(s):** With Profibus-DP Interface  
**Product type:** Fieldbus Device  
**IIT Conformance Class:** Connectivity  
**Connectivity Type:** Profibus-DP  
**Certified features :** System Interoperability, PNO Profibus Certification  
**Firmware Version:** 1.0.0.E  
**DTM Software Version:** Not applicable.  
**Hardware revision:** 01.09

The certificate states that the product specified above has passed the test towards the specified conformance. The certification has been performed by an official certification center and approved by the official steering body for the Industrial<sup>IT</sup> Certification.

The certification test for the above specified product has been carried out, according to "Guidelines for Field<sup>IT</sup> certification", document no. 3BDS009100, Rev. 1.

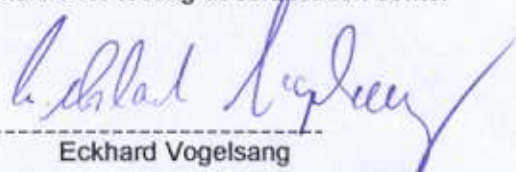

The basis for the certificate is documented in the IIT Conformance Test Report with identity 3BDS009113. The certificate is valid for the above mentioned hardware and software versions. For modified versions, a re-issue of this certification has to be done.

Note: PNO Profibus Certification is currently pendig.
