

Product Change Notification

PCN-20240603.HFX

Dear valued Customer,

ABB Cable Management Product Ltd. Will make the changes described below to products within the Harnessflex Cable Protection product range.

Products affected by the change:		
HT Fittings Range	High Temp Connector Interfaces: CIH* and CIH*-90*	High Temp Fittings: EPH*, JPH*, TPH*, YPH*, XPH*

Description of Change:
Following from our “PCN20240321 – HTC Conduit change from Black (RAL9005) to Brown (RAL8016)” – we are now issuing this PCN in regard to the HT Fittings:
As from 21 st May 2024 “HT” fittings range will be manufactured in Brown (RAL8016) instead of the current Dark Orange, please note the colour change has no impact to the product’s functionality.
From 21 st May there will be a period of rolling change on HT fittings from Coleshill and EDC. The transition from Dark Orange to Brown may be apparent on some HT fittings with high demand than those with low demand. The rolling change period will cease on 31 st Dec 2024.
From 1st January 2025, the entire HT fittings will be supplied in Brown irrespective of the demand levels.

For lead times and available stock of specific part numbers, please contact either the European Distribution Centre or Coleshill Customer support teams and sales offices.
