

Product Portfolio announcement at 25<sup>th</sup> April 2022

## CBT-STAT Branding

In future CBT-STAT products will be branded with the ABB logo. In the past versions were produced with Cylon and American Auto-Matrix logos.

CBT-STAT products with these brands have been changed to a limited availability status and will only be available until stock has been depleted. The ABB-branded versions are direct (drop-in) replacements for these as shown in the table below:
