New Halogen free pre-bent conduit extensions

01 New additions to halogen free conduit range

ABB pre-bent halogen free conduit range keeps on growing. New shapes of 16, 25 and 32 mm pre-bents have been introduced to the halogen free collection.

Pre-bent conduit extensions are used with bushing insulators, conduit end pieces and mounting and junction boxes in concrete casting. Pre-bent conduit extensions are equipped with a sleeve in one end for continuing the conduit.

Transformation from PVC to halogen free material is now completed. ABB offers wide range of different conduit products from halogen free material from 16 to 50 mm: conduit ends, conduit bends and pre-bent conduit extensions.

Order information:

Type	Global ID	EAN	Description	Package
Halogen free Pre-bent curve conduit extensions				
JMKL16.4HF	2TKA00004741	6438199000640	Curve conduit extension, Ø 16 mm, 90°, sleeve on the long end	20/200
JMKL16.5HF	2TKA00004742	6438199000664	Curve conduit extension, Ø16 mm, 90°, sleeve on the long end	20/100
JMKL16.6HF	2TKA00004743	6438199000688	Curve conduit extension, Ø16 mm, 90°, sleeve on the long end	100/200
JMKL16.8HF	2TKA00004744	6438199000695	Curve conduit extension, Ø16 mm, 90°, sleeve on the long end	20/200
JMKL25.1HF	2TKA00004745	6438199000909	Curve conduit extension, Ø25 mm, 45°, sleeve on the long end	20/100
JMKL25.2HF	2TKA00004746	6438199000916	Curve conduit extension, Ø25 mm, 90°, sleeve on the long end	20/100
JMKL32.2HF	2TKA00004747	6438199000169	Curve conduit extension, Ø32 mm, 90°, sleeve on the long end	20/100
