Rules and regulations

1. A scan of your sales receipt or invoice must be included with your redemption form. All sales receipts and/or invoices must be submitted no later than November 30, 2020.
2. Multiple purchases can be combined to meet the minimum purchase requirement, but the date of the sales receipt or invoice must fall within the promotional period (October 1, 2019–September 30, 2020).
3. The minimum purchase requirement must be met in order to receive the free tool. Tools cannot be redeemed with partial credit. Partial credit remaining after the promotional period has no value.
4. Only the purchase of Color-Keyed and Blackburn® connectors will apply toward the minimum purchase requirement (compression connector product lines 007, 029 and 268; and mechanical connector product line 006).
5. All required purchases must be made from an authorized ABB distributor and a single participating distributor (multiple branch offices acceptable).
6. Free tools ship separately from each qualifying order. Estimated shipping time is four to six weeks following receipt of completed documents.
7. Free tools are subject to standard warranty policies effective on the date of their shipment.
8. This promotion is valid for a limited time and may end at any time without prior notice.
9. Not valid in conjunction with other discounts or promotions.
