We ABB AB, Substation Automation Products, SE-721 59 Västerås, Sweden, declare under our sole responsibility that the family of apparatus:

| Line Differential Protection | Type: RED670, Ver. 2.0 acc. to Product Guide 1MRK 505310-BEN |

...to which this declaration relates is in conformity with the following directives:

Our internal quality control system ensures compliance between the manufactured products and the technical documentation.

| Year of affixed CE-marking | 2014 |

Application of the objects: The family is intended for use in the industrial environment and to protect high voltage or high power apparatus, and thus normally used in a harsh electromagnetic environment near high voltage apparatus.
