EU Declaration of Conformity
MW05 MagWave Magnetic Level Gauge

We, ABB Inc., having an office at 125 E County Line Rd, Warminster, PA 18974, USA, declare under our sole responsibility that the MW05 MagWave Magnetic Level Gauge products are in conformity with the following European directives and international standards:

RoHS Directive (EU) 2015/863

The products described in this Declaration of Conformity comply with the applicable European directives and relevant sections of the applicable international standards. The signatures on this document authorizes the distinctive European mark to be applied to the equipment described. A technical construction file is available for inspection by designated bodies upon request.
ATTENTION!

The attention of the specifier, purchaser, installer, servicer, or user is drawn to the following special measures and limitations, which must be observed when the product is installed or taken into service to maintain compliance with the above directives:

1) Details of these special measures and limitations are also contained in the product manuals and must be followed for safe use, installation, operation, and maintenance.

2) It is incumbent upon the End User or any of the other entities mentioned herein to make sure the installation is made in accordance to local and regional regulations and electric codes.

3) It is incumbent upon the End User or any of the other entities mentioned herein to make sure the disposal, decontamination and/or decommissioning is performed in accordance to WEEE Directive 2012/19/EU.
