Extended warranty

Peace of mind with ABB's extended warranty at product purchase

Measurement made easy

Extended warranty at product purchase

Introduction

Product ownership can feel a bit daunting because of the financial outlay and concerns about process reliability.

We can offer you some extra reassurance that you won't incur expensive repair bills in the unlikely event of something going wrong.

Extended warranty ensures stress-free product ownership – let us take care of your installed base.

The stress-free extended warranty

ABB offers 1 year extension to the standard warranty period at product purchase.

Our reliable warranty program includes:

- Professional commissioning
- On-call technical support
- Corrective maintenance when needed
- Parts

Repair

Measurement Care

Extended warranty benefits

Support free-of-charge

Break/ Fix services and parts included – good to know ABB picks up the bill for corrective maintenance.

Peace-of-mind

Reduced cost associated with product maintenance.

Safety

Following safe working practices ... always!
