Transition benefits

This transition will allow ABB to strengthen our availability of core products to improve our service level and performance along the purchasing journey. The new OVRHT3D Series SPD will serve as a replacement for the affected product offerings. The full range of the OVRH Surge Protective Device Family provides a complete solution with the trusted, high-quality, reliable, and advanced technology of ABB products that meet market demands

Product returns, pricing and other terms will follow standard ABB U.S. Electrification Life Cycle Management policies summarized below.

| LCM phase | Active | Classic | Last time to buy | Limited | Obsolete |
|---|--|--|---|---|--|
| status description | Product is fully available for sale, quotation and promotion | Product will be replaced or phased out | Last date purchase orders will be accepted for above current on-hand inventory levels | Purchase orders only accepted for material in-stock | Product is no longer available, purchase orders not accepted |
| Product available for sales | Yes | Yes | Yes | Not guaranteed* | No |
| New special pricing agreements (SPAs) and project quotations can be established | Yes | No | No | No | No |
| New equipment SPAs and project quotations can be established for equipment using these components | Yes | No | No | Yes | No |
| SPAs accepted for expansions | Yes | No | No | Yes | No |
| SPA rebate requests accepted per ABB policy | Yes | No | No | No | No |
| Price increases | Yes | Yes | Yes | Yes | No |
| Product stocking levels | Yes | No | No | No | No |
| Delivery lead-times | Standard, based on product | Standard, based on product | Standard, based on product | Standard, based on product | No |
| Product available for new or already quoted projects | Yes | Yes | Not guaranteed* | Not guaranteed* | No |
| Product available for expansion projects | Yes | Yes | No | No | No |
| Returns accepted per ABB policy | Yes | No | No | No | No |
| Spares available | Yes | Yes | No | No | No |
| Available in online tools | Yes | Yes | Yes | Yes | No |

*Please contact ABB Service if there is not a replacement product available in empower.
