

ABB U.S. VALUE ADDED RESELLERS (VARs), DISTRIBUTORS, AND SINGLE PHASE UPS RESELLER PROGRAM MEMBERS

Chill Out with ABB this Summer

Free Yeti Cooler with qualifying PowerValue UPS purchase

There is no better way to relax and enjoy the summer knowing your customer's critical power requirements are in good hands.

ABB's PowerValue RT G2 UL series are double conversion online UPS systems that guarantee up to 36 kW of clean, reliable power for critical single-phase applications.

Effective immediately: For every PowerValue Single Phase Uninterruptible Power Supply purchase totaling \$10,000.00 or more, receive one (1) YETI Haul™ Cooler courtesy of ABB!

Qualifying products:

- PowerValue RT G2 UL UPS 1-10 kVA
- External battery module accessories for PowerValue RT G2 UL UPS 1-10 kVA
