## Analog Cyclo Converter

### 1. CURRENT LIFECYCLE STATUS

The Analog cyclo converter product has been in the obsolete phase since the beginning of 2006 according to the ABB lifecycle model outlined below.

### 2. SUPPORT AVAILABILITY FOR ANALOG CYCLO CONVERTER

During the obsolete phase ABB can not guarantee availability of product support within reasonable cost or technically:

- Sale of Analog cyclo converter parts is limited to available inventory.
- Sale of Analog cyclo converter repair services is limited to component availability.

### 3. RECOMMENDED ACTION

It is recommended that Analog cyclo converter product customers migrate to replacement products.

For information about replacement possibilities of the cyclo converter go to <http://www.abb.com/driveservices/>

### 4. FURTHER INFORMATION

For further information, please contact ABB Switzerland Ltd, Medium Voltage Drives by e-mail: [mvac.supportline@ch.abb.com](mailto:mvac.supportline@ch.abb.com)
